

**Connect-Ed Message – 04.05.20**

Greetings Sargent Shriver Families,

We are living a surreal experience, but we will get through it together!

We have completed the first week of our online distance learning and we are looking forward to beginning our second week. The Sargent Shriver Elementary School schedule can be found on our website titled ‘Elementary School Schedule Week 2.’

This week, schools will be open for online distance learning on Monday, Tuesday, and Wednesday, April 6, April 7, and April 8, 2020. The school office will be open on April 6 through April 9 and schools will reopen for online distance learning on Tuesday, April 14, 2020.

For additional information about the MCPS online Continuity of Learning (COL) Framework please visit our school’s website.

We are living in uncertain times in our lives, but we look forward to teaching our students this week!

Stay safe and be well!
