

Connect-Ed Message 10.25.19

Dear Parents and Families,

I am writing to inform you that we went into a modified Shelter-in-Place today, October 25, 2019, in order to restrict movement in the building while Emergency Medical Services attended to a student who was experiencing a medical emergency.

There was no interruption to the students' instructional day as a result of this event. If you have further questions or concerns, please call the school office at 301-929-4426.

Thank you.
