

Principal's Message on 03/03

Good Evening Stallion Families,

Thank you to our kindergarten and 4th grade teams for planning field trips for our students last week! Our kindergartens had an in school field trip with the Echoes of Nature and the fourth grade traveled to Imagination Stage.

This week is Read Across America with us celebrating with a Spirit Week and Read Aloud Day on Thursday, March 7th.

- Monday, March 4: Reading is ACTIVE! Dress in your favorite workout or athletic gear!
- Tuesday, March 5: We are WILD about reading! Wear animal print!
- Wednesday, March 6: Hats off to reading! Wear a favorite hat today!
- Thursday, March 7: Reading Gives You Superpowers Day! Dress up as a favorite superhero to represent the superpowers you get from expanding your mind through reading!
 - We will have a Read Aloud Event in the morning with many special community members coming in to be guest readers.
 - They will be reading aloud various Black-Eyed Susan Picture Book Award Nominee titles to students in every grade level!
- Friday, March 8: Stallion School Colors Day! Let's celebrate our diverse yet united Snowden Farm family!

We are welcoming many community members into our school on Thursday, March 7 to be guest readers during our Read Aloud event and would love donations for our welcome reception.

- Please consider donating the items on the following sign-up genius and drop them off at the designated time!

New: MISA Testing for 5th Grade Only

This week, our 5th grade students will be taking the Maryland Integrated Science Assessment (MISA) on Monday the 4th and Tuesday the 5th. This standardized test is administered to all 5th grade students in the state to assess their knowledge of elementary science standards.

- Please ensure students are well rested and have a good breakfast.
- Students can bring their own headphones (they cannot be wireless).
- Students may not have access to Smartphones, Smartwatches, or bluetooth devices during testing.
- Please also make sure that students bring their chromebooks and they are charged.
- If you have any questions, please email Kayla Gross, Kayla_M_Gross@mcpsmd.org

New: MCPS Caregiver Survey

MCPS wants your feedback to help inform decisions about teaching and learning for your child.

- Please visit <https://parentsurvey.mcpsmd.org/> , select your language to take the survey, then log into the survey using your child's student ID number, grade level, and school.
- If you are unsure of your child's student ID number, you can find it on your ParentVue Account.

Thank you in advance for your participation in this survey!

Calming Bins for our Classrooms

We are collecting donations to assemble Calming Bins for every classroom at Snowden Farm! These bins will be available to all students to support Social Emotional learning and wellbeing. Please review the available slots below,

<https://www.signupgenius.com/go/20F044CAAAB22A4FF2-48096306-calming#/> and click on the button to sign up.

Contact School Counselors, Allison Pena or Danielle Luckett, with any questions.

Purchased donations can be dropped off at school labeled "Calming Bins"

Maryland Survey Students for 5th Grade

State law requires that all public schools in Maryland survey students about school climate. The purpose of the survey is to gain valuable information about the quality and character of each school's learning environment so that schools can promote a climate that supports student learning.

- 5th Grade students will take the Maryland School Survey during the week of March 11 .

- The survey will ask students about topics such as student engagement, interactions with adults and with other students in the school, the school environment, bullying, and safety.
- The survey will not ask about a student's personal experiences, and students will not be asked to provide any information that might violate their privacy.
- The survey is confidential and school personnel will not have access to the responses of specific students.
- The responses your child provides will be combined with the responses from other students in the school, and results will be reported for each school and district.
- We are eager to receive this very important information about your student's school and about schools across the state. Frequently Asked Questions and the Survey Item Bank may be found on the [Maryland School Survey](https://marylandpublicschools.org/marylandschoolsurvey) page at <https://marylandpublicschools.org/marylandschoolsurvey>.

If you have any questions about this survey, please contact Kayla Gross or Michelle Fortune at Kayla_M_Gross@mcpsmd.org or Michelle_L_Fortune@mcpsmd.org.

Girls on the Run is coming to Snowden Farm!

Girls on the Run is a transformational physical activity-based positive youth development program. We teach life skills through dynamic, interactive lessons and running games. The program aims to unleash confidence through accomplishment while establishing a lifetime appreciation of health and fitness.

- Completing a 5K on May 19th gives them a tangible opportunity to apply everything they have learned.
- Each participant receives a program t-shirt, water bottle, entry to the GOTR 5K, and a finisher medal.
- The program is open to girls in 3rd-5th grade. Practice is on Monday and Thursday starting the week of March 10th until the week of May 25th.
- The cost is \$187.50. Financial Aid is available.
- The online registration process includes the fee reduction approval process. Simply answer the financial aid questions during registration, and the computer will determine your eligibility and adjust the fee accordingly.
 - Registration begins February 15th.
 - Register on girlsontherunofmoco.org to sign up by March 22nd. Space is limited.
- If you have any questions about the program, please contact Mrs. Walsleben by email at danielle_r_peters@mcpsmd.org.

Coyote Pups Preschool

Are you, or someone you know, in search of a top-notch preschool experience for your little one? Look no further than Coyote Pups Preschool, located at Clarksburg High School! Coyote Pups Preschool offers a unique educational opportunity where preschool children and high school students learn and grow together. Led by CHS Child Development students, this program fosters a vibrant learning environment for both young learners and student teachers.

Here's what makes Coyote Pups Preschool stand out:

- Dual Educational Experience: Children aged four and high school students collaborate in a dynamic learning environment, fostering growth and development for all participants.
- Practical Application: High school students enrolled in Child Development courses get hands-on experience by implementing curriculum and techniques learned in class, under the guidance of certified early childhood professionals.
- Quality Education: Our program is designed to provide a high-quality educational experience for preschoolers, ensuring they are well-prepared for kindergarten and beyond.
- If your child will be four on or before September 1st, 2024, we invite you to express interest in Coyote Pups Preschool by completing our interest form [here](#).
 - Our preschool coordinator will be in touch with registration details in late March.
- Don't miss out on this fantastic opportunity for your child's early education journey! For more information, please visit our website: [COYOTE PUPS WEBSITE](#)
