Good Evening Stallion Families,

Tomorrow, Monday the 16th is our first parent coffee at 9:15-10:00 AM in room 170. We will be discussing enriched and accelerated instruction in math and reading. Parents and caregivers will receive an overview with an opportunity to try a math problem and ask some questions. We hope to see you either in-person or via Zoom! Thank you to the families that were able to join us for the parade of all the feeder schools that we participated in before the Clarksburg Football game. It was the first year that the cluster has done this and we hope to have even more families next year!

We want to thank the PTA for getting our Robotics club started this week! The students seemed to really enjoy it!

New: Lost and Found

Our Lost and Found is getting full! We have jackets, lunchboxes, water bottles and more! If your student has misplaced an item, please have them look in the Lost and Found outside the cafeteria before lunchtime. We will be clearing out the items at the end of the first marking period and remaining items will be donated. Lost and Found will be cleared out on Friday, November 3.
