240-740-7340 (Phone) □ 301-460-2132 (FAX)

Dear Parents/Guardians,

Career Day is rapidly approaching and we need **YOUR** experiences! We are looking for parents or individuals who would be interested in sharing their career with our students.

I am pleased to announce **Career Day on Friday April 28th, 2023 from 9:45 A.M. to 11:15 A.M. Please arrive at 9:15 am to set up in your designated location. Lunch will be provided 11:30 am - 12:00 pm.**

Presenters should be prepared to give 3 presentations with each lasting 20 minutes (including time for questions and answers). This is a great opportunity for you to get involved at Stonegate Elementary School and make an impact on the student's future.

If you are interested in participating in Career Day, please complete the form on the back of this page OR the electronic google form [here](#) and return to school by February 1st, 2023.

Please note that regrettably we will not be able to select everyone that is interested as we have limited openings for presenters.

Sincerely,

Jordan Bolinger

Stonegate School Counselor

Jordan_a_bolinger@mcpsmd.org
