

READING CONNECT THE DOTS

Read a book...

...with someone younger than you.

...that will teach you a new skill.

...that is part of a series.

...that's about a real-life person.

...that's a Newbery Award winner.

...that a friend recommends.

...that you've read before and loved.

...to a friend, brother or sister, or a pet.

...about your favorite sport.

...about a place you'd like to visit.

...that was written more than 20 years ago.

...that's about being brave.

...whose main character is about your age.

...with a flashlight under the stars.

...written by your favorite author.

...that was written this year.

...that takes place in your favorite city.

...while lying in the grass or sitting under a tree.

...that has a cover you love.

...that your mom or dad liked as a child.

...that has been made into a movie.

...that is only pictures.

...that is non-fiction.

...with a favorite toy.

...while on vacation.

...in your sleeping bag.

.....

Wayside Summer Reading Connect the Dot Challenge

.....

Summer Reading Connect the Dots is to be played all summer long to encourage reading in a fun way!

To play, students complete a summer reading activity and then color in the circle when it's finished. Draw a line to connect the dot to the next activity. Have students try for all the dots and complete all the activities!

Remember to record your activity in the Summer Reading Log.

You can return your completed activities to your classroom teacher during the first two weeks of school.

Have fun reading this summer!
