

# Wheaton Woods Elementary School Parent Teacher Association

## TEACHER MEMBERSHIP FORM for 2020-2021

- I understand that the main reason I should join the PTA is to benefit the students. In doing so, I also help the school. I understand that the PTA uses membership dues and fundraisers to provide students with curriculum-based programs, social events, and enrichment assemblies that are not provided by the county. In addition, dues help provide extras for the teachers.
- By becoming a PTA member, I demonstrate to my students the importance of education.
- Yes, these things are important to me and I will join the PTA today!

**\$10.00 per person annual membership dues are attached.**

- Cash
- Check (payable to Wheaton Woods Elementary School PTA)

Your membership form can be dropped off at the main office. Your membership does not require volunteering, joining a committee, or attending a meeting (although those things are nice). It simply shows that you support the efforts of the PTA volunteers and the programs that are outlined in the PTA Handbook.
