### Terms and Conditions

All information provided is considered confidential and will be used only by the review committee to select a recipient. The recipient of the scholarship will be selected from qualifying and complete applications received by the scholarship review committee. **The scholarship will be awarded at the ATF Career Day in May 2022.** The ATF will pay the scholarship funds directly to the post-secondary institution and/or the WANADA ADEI apprenticeship program. The recipient of the scholarship is responsible for providing an official copy of his/her class schedule (prior to the beginning of each semester) and the college transcript (at the end of each semester) to the Foundations Office for review.
