## COMPONENTS OF THE PROGRAM

### Learning About Leadership

In 2019, Fellows volunteered at A Wider Circle and worked to restore a former Germantown farm as a living museum to teach the story of the lives of slaves in pre-Civil War Montgomery County. In addition, they participated in a ropes course and visited Bethesda Magazine, Music Center at Strathmore, National Center for Children and Families, Bethesda Urban Partnership, Bethesda-Chevy Chase Rescue Squad, and KID Museum.

Lazarus seminars are generally held on Sunday evenings in the Bethesda area. The introductory meeting will be held on Sunday February 23 at A Wider Circle. We will have a day long team building session at an outdoor ropes course on Sunday March 22 and a full afternoon working at the Button Farm on Sunday April 26. Other sessions will be Sunday afternoons or evenings March 1, 8, and 15, April 19, May 17, and June 7.

The program continues throughout the summer, with Fellows meeting once or twice to share experiences about their projects and help each other with problem solving. Fellows are expected to participate in all of the meetings.

### Serving the Community

Each Fellow designs a community service leadership project that requires a commitment of 200 hours during the summer. The purpose of the project is to effect change—to make something happen that might not happen without the initiative of the Fellow. The Program Founder works with the Fellows to select and design service projects, which may be team projects of more than one Fellow.

### Reflecting on and Celebrating the Experience

On the afternoon of Sunday September 13, the Fellows will help staff an Interfaith Unity Walk along Massachusetts Avenue and then meet to share and reflect on their experiences. A graduation ceremony follows on Monday evening October 5 at the Strathmore Hall Mansion.

### Personal & Project Expenses

In mid-June, as they begin their service projects, each Fellow receives \$250 for meals, transportation, and expenses for the summer.

### Stipend or Community Service Credit

Upon completion of the program in September 2020, Fellows elect to receive a stipend of \$750 or credit for 200 student service learning hours. To receive the stipend or the service hours credit, a Fellow must participate in the seminars and summer meetings, complete a journal reflecting on the entire Fellowship, and submit a report on his or her project that includes an evaluation from the Fellow’s supervisor.

*“I learned that communication and teamwork are crucial to successful leadership. Over the summer these were things that I used every day with my group members and were important to running our camp successfully. I feel that I have already developed these traits over the summer, and I know they will be very useful to me in the future.” — Lazarus Fellow*

## TWENTY-FOURTH YEAR OF SERVICE TO OUR COMMUNITY

Named in honor of Julius and Dorothy Lazarus in recognition of their years of service to the children of the Bethesda area and the generous financial support provided by their foundation, the Lazarus Leadership Fellows Program helps prepare 15 high school juniors and sophomores for their citizen leadership responsibilities each year. Since 1997, the Lazarus Fellows have completed more than 65,000 hours of service to our community.

All previous groups of Lazarus Fellows tell us it was a life-changing experience. An applicant a few years ago recalled an end-of-summer conversation with a Lazarus Fellow:

*“I was amazed at the scope and detail that went into his endeavor, but the real shock came when I asked, ‘Who is running this program?’ and he replied ‘Oh, me.’ He described the way he was able to literally create this program from the ground up. He was immensely happy with the idea that he could challenge himself the way he did and for the results to be self-evident.”*

## STUDENTS ELIGIBLE FOR THE PROGRAM

The Fellows Program is open to all 10<sup>th</sup> and 11<sup>th</sup> grade students living in the Bethesda-Chevy Chase community. Each year, at least 12 of the 15 Fellows are students at B-CC High School. Past Lazarus programs have also included students from area public and private schools. The program seeks a diverse range of students.

Fellows are selected on the basis of demonstrated academic ability and service to the community. The most important part of the selection process is an essay describing an issue about which the applicant feels passionately enough to devote 200 hours of community service during the summer. The selection committee is made up of business and civic leaders, a parent, a teacher, a former Lazarus Fellow, and a representative of Leaders Institute.
