

Clarksburg High School

January 2022

Scholar Holler

CAMP– Clarksburg APPS Mentor Program is off and running. The juniors and freshman gathered on December 15th to hear from some upper classmen about advice for registering for classes and planning out the rest of their time at CHS. Getting advice from people who have experience is one of the best ways to learn.

Need Help?

As we head towards the end of the semester remember to reach out if you need help– mentally, emotionally, or academically. Ms. Clements is available and these groups within CHS.

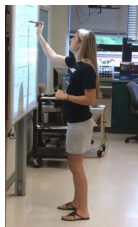

The QR code will take you to a page of suggested supports!

APPS Faculty Spotlight

Julie Scherer

This is my 10th year teaching in MCPS, and my 5th year here at Clarksburg. I started teaching BC Calculus 8 years ago and I find it to be such a rewarding experience. I love seeing my students grow as mathematicians throughout the year, and I'm proud of all the effort they put in to learning. I've had the privilege of getting to teach so many amazing young adults during my time here at Clarksburg. I have a poster in my room that says "the future of the world is in the classroom" which perfectly sums up my feelings. Go Coyotes!

GUEST SPEAKERS

January

Brittney Boakye*

Public Health

Zoe Ajebon
