Why take an AP Course?

1. Taking an AP Exam helps you stand out to colleges, universities, and scholarship programs.
2. Completing an AP course and exam means you'll have taken college-level coursework in high school.
3. Earning college credit or placement while you're in high school can save you time and money in the future.
4. AP courses develop study skills, critical thinking skills, structured writing, management skills and more.
5. AP courses enhance our academies!
