Please be aware that today’s lesson is being recorded. Participants are not permitted to record the lesson, download the recording, or in any way keep the recording without approval. This includes screenshots, pictures, any copies, or any distribution of an image depicting another student.

* I have a hunch that on the first day of school when the entire county tries to enter their Zooms there will be some technical difficulties. If you have trouble getting into the Zoom, don’t worry we will adapt and adjust.
