

# JFK Local Summer Program

We will be holding an **in-person**, local summer school at John F. Kennedy HS June 28 - August 8, 8:00 - 12:30p, depending on the course. Most courses will be for credit recovery, but Algebra I will be available to any student who has attempted the course previously wishing to earn credit or improve their grade. Under-enrolled courses are subject to cancellation. Transportation, breakfast, and lunch will be provided. Register for the local summer program via Parentvue starting on April 12, 2023, or contact your student's counselor for assistance. An additional Google Form will be provided to verify course enrollment once it is indicated on Parentvue.
