## Achieving Collegiate Excellence and Success

**(ACES)** is a collaborative program among Montgomery County Public Schools, Montgomery College, and the Universities at Shady Grove that provides you with a seamless and supportive pathway to college completion. **Deadline to apply is December 20, 2019.**

### As a qualifying 10th grader\*, you can receive

personal assistance with college applications, financial aid forms, and access to leadership development programs and career-readiness training through the ACES program. After high school, ACES students who continue on the ACES pathway have support at Montgomery College and the Universities at Shady Grove.

#### ACES provides:

- Individualized coaching
- Preparation for college entrance exams
- College and financial aid application support
- Leadership development opportunities
- Career readiness training and skills
- College visits
- Student success workshops

**\*The ACES Program seeks to serve students who identify with any of the following categories:** First-generation college students, historically underrepresented in higher education, from a low-income household, have differing abilities, from a single-parent household, English language learners.

## ACES INFORMATION NIGHT OCTOBER 28-30, 2019

The ACES program is offering three information nights (one on each campus) for Grade 10 parents and students to learn more about the program, hear from currently enrolled students/parents, meet ACES staff, and how to submit an application. Sessions will be presented in English and Spanish.
