

MAGRUDER ATHLETIC BOOSTER CLUB

Welcome back for another exciting year of Magruder Colonels athletics!

The Magruder Athletic Booster Club is a non-profit 501(c) 3 organization that is committed to providing financial support for facilities enhancements, equipment and athletic gear for each of the MHS sports. This financial support directly enhances the experience of student athletes involved in MHS athletics.

The Athletic Booster Club relies solely on fundraising through memberships, concessions, the sale of spirit wear and other fundraising activities throughout the year. The funds collected support all athletic teams at MHS by providing facilities improvements, equipment athletic apparel and scholarships.

The County provides each school with enough funding to pay for coaches, referees, transportation and limited equipment and supplies. Large-ticket items such as gym and field enhancements, maintenance, athletic equipment, scoreboards, etc. are only partially funded through limited County funds. As a result, Booster Club funds are needed to make up the difference. Despite COVID-19, last year we were able to provide athletic scholarships to eight seniors!

We do not know what the impact of COVID-19 will be on our athletics this school year, but we remain hopeful and are preparing to support MHS athletics in whatever capacity is permitted. Our volunteer organization is dedicated to raising funds to support our student athletes. Please consider supporting the Athletic Booster Club by becoming a member, purchasing and wearing spirit wear, volunteering in various ways including working our concession stand, helping during our mulch sale, or just attending an athletic event and cheering on our student athletes.
