Getting Started

One of your first lessons is to orient yourself with all of the features available (Get Started with Naviance Test Prep). Naviance Test Prep takes you through a tour of all of the features! Learn how to use Naviance Test Prep in the most efficient and effective way. (This feature is only available for SAT and ACT Prep.)

Complete these three easy steps to get started with your test prep:

Step 1: Upon logging into Naviance Test Prep the first time, you are prompted to **Choose Your Test Date**. Choose the date of your exam or the date you wish to complete the course. This action helps plan the study schedule.

Optional: If your school has purchased more than one test prep course, confirm the test for which you wish to prepare under the **My Studies** drop-down.

Step 2: Once you have selected the test date, click the **Get Started** button. Depending on the exam, you are preparing for you may review some introduction information (AP Courses) or go straight to a diagnostic or practice test. Completing this step allows Test Prep to analyze your strengths and areas for improvement.

Step 3: Begin your studies!

Study Plan

The Study Plan guides you through the course in the most efficient way possible and helps you stay organized and on track. By selecting your desired end date or test date, the study plan automatically adapts to your timeframe and feeds you the appropriate amount of content each day.

Study plans are broken down into individual study tasks. A study task can be comprised of Lessons, Flashcards, Practice Questions or Tests. Each study task is given a number of Knowledge Points based on length, difficulty, and importance. The Daily Knowledge Goals informs you how many points are needed each day to complete the course on time. If you miss a day or complete more than the daily goal, the study plan automatically re-adjusts.

	How to Use This Course 3 Knowledge Points 
	Understanding the ACT 7 Knowledge Points 
	Diagnostic Test 430 Knowledge Points 
	Strategies to Get Your Best Score 21 Knowledge Points 
	ACT English Test: General Strategies and Techniques 7 Knowledge Points 

Game Center

The Game Center is packed with fun, addictive games built to help you learn content faster and enhance memory retention. The games pull content from the flashcard section but add a unique and challenging spin to learning. Speed and correctness determine game scores.
