

Announcements 11-21-22

- Thank you to everyone who supported our Name the Turkey contest. Winners will be announced before lunch today along with some winners for most checkouts and coolest media center patrons! Some of our favorite names include: Turks & Caicos, Gibbles, Saucy, Turk Turk, and Burkey.
- Congratulations to our Model UN club who participated in the Centennial High School conference last weekend. Special shout out to Sourish Dutta for receiving a verbal commendation for his excellent negotiation skills!
- Congratulations is in order for three varsity players who have earned All county Field Hockey recognition. Ana (second team midfield, Sanjana (honorable mention forward and Alisha (Honorable mention defender.) Good job on an outstanding season for the team and to each of you.
- Students who received Straight A's in Quarter 1 will have their photos taken in the auditorium when we return from the holiday on December 2. And congratulations to all you earned the opportunity to be in this picture.
- As you know, students have the ability to set and change their passwords for their MCPS accounts. Because this practice started last November, there are large numbers of students (about 50,000) whose passwords are going to expire by **November 30th**. There is a new district-wide Canvas Course (Student Password Reset) that central technology teams will use to target students whose passwords are about to change. This, in conjunction with the email, the Canvas Course will help create an awareness for students using Canvas regularly as part of their school experience.
- Our Key Club continues to create opportunities for Northwest students to positively impact our broader community. If you want to get involved, you can reach out to the Key Club Sponsor, Mr. Mark Maradei at Mark_Maradei@mcpsmd.org.
- The "Our Closet" Club would like your help to keep our community members warm this winter. Please bring coats, jackets, gloves, mittens, hats, and/or warm socks to Room 261 anytime from now until December 16th. All items will be donated to local shelters.

- On December 1st, the Free store Club is planning a holiday shopping experience showcasing gently-used trinkets and jewelry in the media center. Please Donate your items by November 30th for this special event.
