- The winter sports season is underway and we have updates for you. The indoor track team opened their winter season on Tuesday at the MCPS county meet with some outstanding performances. Congratulations to the boys' team who won their season opener at the Prince Georges County sports and Learning Complex. Major contributors to the team win started with Gage Osborne winning the 1600-meter run and the 800-meter run. Sydney Harris helped in the team performance by winning the 500-meter dash. Antonio Berry also contributed with his second-place finish in the long jump. Other top finishers on the boys' side were the four by two and four by four relays finishing second and first over-all. Big standout performance of the meet was by Paul "X" Rivers in the shot put. Rivers threw an amazing 50 feet, 2 inches, winning the event by over 5 feet. Rivers' throw, broke the school indoor shot-put record by almost 3 feet. Congratulations to "X" and the boys' team for an outstanding performance.
