

### Announcements November 3, 2022

- The media center had to close for 3 days for food due to students not picking up after themselves. We want you to use our space but the amount of trash, broken supplies, and food waste on the shelves, floors, and tables make the space unusable for the afternoon. They have a vacuum and cleaning supplies. It is simple if you make a mess then get the supplies and clean it up. If every single person cleaned up their own mess, we would not have any issues. Please help this space stay open for the entire school community.
- Although varsity field hockey lost 3-0 in the regional final game today, we are mighty. We were down 2-0 at the half and held a skilled Urbana team to only 1 goal in the second half scored with a minute and a half left in the game...we played hard until the final horn blew.... WHAT A SEASON! The team saw all the love and support from players, parents, colleagues, and friends! Thanks for riding along with the team. Time to rest! Proud to be a JAG!
- An awesome congrats shout out for the cheer squad. Cheer qualified for regional with their win at the county championship. Check out [NorthwestAthletics.org](http://NorthwestAthletics.org) for information about the regional competition this weekend.
- Anyone interested in trying out for Girls Basketball, there is a meeting tomorrow during lunch in room 179.
- If you are interested in trying out for wrestling, you should plan to attend Weight Certifications Saturday. Information and the permission slip is on [NorthwestAthletics.org](http://NorthwestAthletics.org).
- Please wish our cross-country team good luck today as they travel to Watkins Mill HS for the MPSSAA 4A West Region Championships.
- Anyone interested in playing Bocce this winter, Mr. Maradei will be holding a meeting in room 181 on November 15th during lunch. If you cannot make the meeting, see Mr. Maradei in advance in room 181 or email him.
- Winter sports start soon! If you plan to try out, you need to be registered in Parent Vue and have a current physical. Check the list outside Mrs. Tyler's office by the gym to see your registration status. If your name isn't on the list, you aren't registered! The deadline for registration is 11/12 to ensure your paperwork is processed in time for tryouts.
- So let us move to more things to celebrate in the month of November. While our Founding Fathers, presidents and military leaders are remembered as heroes of American culture, it's

often overlooked how indigenous people contributed to many of the major events in the nation's history. Nov. 1 marks the start of Native American Heritage Month. In 1990 President George H. W. Bush approved a joint resolution designating November 1990 "National American Indian Heritage Month." Throughout the month, we will celebrate Indigenous peoples past and present and rededicate ourselves to honoring Tribal sovereignty, promoting Tribal self-determination, and upholding the United States trust and treaty responsibilities to Tribal Nations.
