

### Announcements November 2, 2021

- Attention Northwest Student Athletes, as we've mentioned before, registration for winter sports are open and **should be completed by November 14**. Yep and that's in 12 days so make sure to get it done quick! Those that are interested in partaking in winter sports and are **fully-vaccinated** must show proof of vaccination prior to tryouts and practices. Tryouts and practices will begin on November 15th for most sports and will continue for three weeks, with the first contest beginning on December 7th. **Registration will close at 12pm on Monday November 29. NO LATE REGISTRATIONS AND OR PHYSICALS WILL BE TAKEN AFTER THIS DATE!**
- PTSA and MSP are sponsoring the 2<sup>nd</sup> JagsSleepOut in order to raise and support the MoCo Coalition for the Homeless. In addition to the JagsSleepOut donation, we hope to give physical items to the Montgomery County Coalition for the Homeless. We would like to invite our entire school community to support the 30x30 Move-In-Kit Challenge. Here is the link for the sign-up genius. Please share with all of your groups. All donations can be dropped off to the Media Center by November 22nd. All donations from the sleep out and the Move-In-Kit challenge are used in Montgomery County.
- The media center wants to remind you that your Chromebook is as important as your phone. We need all students to work on a daily plan to come to school every day with a fully charged Chromebook or carry their charger with them for emergencies. We do not have an extra supply of chargers and they cost \$25 dollars to replace. Also, please remember to bring your Chromebook. We only have older models and a limited supply to hand out as extras.
- Attention students, there will be a girls basketball interest meeting today during lunch in room 120, Coach Youngblood's classroom. Meet with Coach Richardson and learn more about tryouts and team expectations. See Mrs. Tyler if you have any questions.
- Remember, tomorrow is the end of the marking period. Please make sure to get all missing or make up work done by today! Surprising to imagine we've already gone through a quarter of the school year. Use this time to give yourself a physical/mental break
- The key club is revving up their canned food drive to help out local communities once again until November 19. Any canned goods or non-perishable items should be dropped off in the allocated box in your first period classrooms.
- The Green team needs your help making a rag rug out of used t-shirts. Drop off your used shirts in the media center. Make sure the shirts are cleaned and washed.
- MCPS is encouraging student participation from each HS in the enriching competitive Afro-Academic, Cultural, Technological, and Scientific Olympics program also called ACT-SO designed to encourage students to strive in STEM, Writing, Arts, and Entrepreneurship. Applications are required and must consist of a 200 words or less short bio along with a photo of yourself. Turn those in to Ms. Greenlee by November 15 or ask her any questions you may have about it!

- Congratulations to our Boys Soccer team for their 5-0 defeat of Seneca Valley last night. The team will compete TONIGHT at home against Urbana in the regional championship! They need your help getting to states! Game starts at 6pm and tickets are \$6. Come support the team!
- Football starts playoffs this week with a home game Friday against Clarksburg. Game time is 7pm and tickets are \$6. Students will need to show their school ID or synergy at the gate.
- Congratulations Gage Osborn for finishing 7th at the MCPS County championship for Cross Country. The team will travel to High Point Farm on Thursday for the regional meet.
- If you have any additional information you would like to share, send an email to [nwjagtv@gmail.com](mailto:nwjagtv@gmail.com)
