- This year, help ensure every family can have a safe holiday season by donating to Northwest Students to End Poverty's winter clothing drive from now to December 14th. Students to End Poverty is collecting hats, coats, scarves and gloves, socks, diapers and wipes, and other winter or children's clothing items to be donated to the Clarksburg Closet, a clothing bank that supports families in need in the Clarksburg community. Students can drop off items at Room 259A in the English hallway. Please encourage your friends and families to support this cause - every donation makes a difference!
