

## Announcements 10-21-22

- Indoor Track is having an interest meeting On October 26th. The meeting will be held in room 102. Everyone is welcome.
- The African Student Association will be selling Candy Grams October 25th at lunch outside the counseling office. Buy a candy gram for a friend, a staff member or yourself to have it delivered to their first, second or third period.
- On October 27 during lunch, Edison School of Technology will host an Info Session in Room 100. Learn about their amazing programs and the timeline to apply. Thursday, October 27 during lunch in Room 100.
- The Montgomery County Board of Elections Future Vote Student Election Worker Program provides high school students with an exciting opportunity to serve as election workers. Depending on the number of days served, volunteers may choose to earn up to 65 Student Service Learning (SSL) hours or up to \$630 stipend for their service along with a great hands-on introduction to the democratic process. Students with bilingual skills in Spanish and other languages are encouraged to apply. Interested students must meet the following requirements to participate as a student election worker:
  - Must be at least 16 years of age by the time of registration
  - U.S. Citizen of the United States
  - Registered to vote in Maryland
  - Must have parental consent for workers under 18 years old

Go to the Montgomery county board of elections website for more information.

- The cast and crew of Check hope to see you at the teaser today and the shows this weekend.
- This upcoming Saturday, the team will begin their championship season as they head to the County championship at Gaithersburg High School. Wish the team goodluck or come support them at 10AM.
- REMINDER: Girls in Technology (GIT) Mentor Protege Program! GIT is looking for interested high school girls (proteges) for their 2022-2023 Mentor Protege (MP) Program year. The MP Program is designed to engage, educate, and inspire high school girls on the vast array of opportunities available in the fields of science, technology, engineering,

and math (STEM). Sessions have begun and will continue through early spring. MP sessions will be held virtually over Zoom. Apply Today to be a Protege!

- Help the UNICEF Club raise money for UNICEF this Halloween. UNICEF works in over 190 Countries to protect Children. Look for these posters around school and make a donation. No matter how small, every dollar Counts.
