- We have a new club. The Geoclub. They have their first interest meeting tomorrow at lunch in room 214. We are a club that explores and learns about different countries/regions, specifically their locations on a map and the (broad) cultures of some of them by playing games + activities, having competitions with rewards, and even just discussing! This is not like a study club where it's strictly about learning, it's a lighthearted club where our goal is to have fun while expanding our knowledge! regardless of how good you are at geography, you are more than welcome!! Come to room 214 @ lunch on Tuesdays and Thursdays.
- Auditions for Northwest Got Talent will be this Friday, Nov. 18 after school in the auditorium. Be prepared to perform about one minute of your act. This is your opportunity to win some money for the holidays. See you on stage.
- All students interested in participating in this year's ACT-SO competition must get your application in to Ms. Greenlee. Visit the ACT-SO board or the media center for forms and other information.
