- DO YOU HAVE WARM WINTER ITEMS TO DONATE? As the season of gratitude has arrived and the Winter holidays are just around the corner, the Student To End Poverty club is in need of winter clothes for local and surrounding communities. We are accepting new or gently used warm winter clothing in "good, clean condition" for toddlers, young children and adults. We appreciate donations of any in-season clothing, especially if they are for children such as gloves, hats, scarves, coats, warm sweaters and pants, diapers and wipes (in unopened packages) and new packages of new underwear and socks. Items will be donated to "Clarksburg Closet" now until December 14th. You can drop off items in the Media Center, Main Office, and Counseling Office. Find more information on Instagram posts [@nwstepoverty](#).
- Our Key Club continues to create opportunities for Northwest students to positively impact our broader community. Please see below upcoming dates and events. A2: If you want to get involved, you can reach out to the Key Club Sponsor, Mr. Mark Maradei. As in years past, we are making Peanut Butter and Jelly Sandwiches on the afternoon of the half day, tomorrow December 7. These sandwiches will benefit a local food pantry. We have an upcoming Blood Drive that takes place on December 9. If you want to participate, you should submit forms to Mr. Maradei by December 8.
