

Northwood High School
Virtual Back to School Night
Thursday, September 17, 2020

General Overview

- All parents and guardians will begin in a [whole school Zoom Webinar](#) from 6:30pm-6:45pm to hear from the administrative team and counselors. This link is the same for all grade levels.
- By 6:55, click on the Google Meet link for your student’s grade level (9-12). See the charts below for the links. You will stay in that link for the rest of the night and departments/teachers will come to you.
- If you have multiple students at Northwood, choose one grade level. The presentations will be similar for each grade level.
- A follow up survey for you to give feedback about Back to School Night and any additional information we need to know will go out in Dr. Garrick’s weekly update on Sunday, September 20, 2020.
- Most important: If you have a technology problem or have trouble getting in, do not worry. These are general introduction sessions. The administrators will work with grade levels to provide additional opportunities for the community during virtual learning.

9th Grade		
<i>Time</i>	<i>Subject/Department</i>	<i>Electronic Link</i>
6:30-6:45	Opening Session with Principal, Administrators, and Counselors	Zoom Webinar Link Passcode: 753270
