Mathematics Department
Calculator Form

I wish to borrow a Texas Instrument TI-83 Plus Graphing Calculator for the school year. I understand that I will be obligated for the cost of the calculator, \$90, unless I return the calculator to the Math Department (room 329) in the same condition that I received it.

I am also responsible for the following:

- replacement of batteries
 - cost of lost/stolen or damaged calculator (\$90.00)
