# RHS Enrollment Guide AP WORLD HISTORY

**In AP World History — Modern, students investigate significant events, individuals, developments, and processes throughout the world from 1200 to the present, spanning all major continents.**

**Students develop and use the same skills, practices, and methods employed by historians. The course is organized into commonly taught units of study that provide a suggested sequence for the course. These units comprise the content and conceptual understandings that colleges and universities typically expect students to master to qualify for college credit and/or placement.**
