

## H. DUDLEY DAVIDSON

---

### **Where am I from?**

Potomac, Maryland. Winston Churchill HS graduate, 1976

### **What College did I attend?**

Montgomery College, Rockville; Albion College, Albion, Michigan; University of Maryland, College Park: Bachelors in Earth & Space Sciences / Secondary Science Education; Trinity College (D.C.) & University of Maryland System: Masters in Education, Administration & Supervision.

### **Something Unique?**

I was an extra in *The Other Side of Midnight*, a horrible soap opera-ish movie in 1977 with Susan Sarandon and John Beck. How horrible? All the Hollywood reviewers wrote: "*Davidson's background walk-through scenes were the best parts.*" HAR!

Prior to teaching, I was an MCPS school bus driver in the 80's, and once drove a 6<sup>th</sup> grade science class from Julius West MS to the zoo, where I was encouraged by former JW science teacher Denis Sayre about teaching science. Five years later in a "stars-aligned" moment, I was hired as a JW science teacher in 1994, and served as an Assistant Principal there from 2001 - 2018, before moving to Seneca Valley as an AP in the 2018-19 school year.

### **What about Family?**

Married to Bernadette Marie Schrider from Burtonsville, MD on February 2, 1980 at the Potomac United Methodist Church. 4 kids so far (another HAR!!): 2 boys (men), 2 girls (women) - 3 are married with kids – the 4<sup>th</sup> will be married this February. We have 13 grandkids: 7 boys, 6 girls.

### **Why Administration?**

Non-stop interactions with kids, parents and staff. It provides a unique opportunity for me to play a significant role in helping adolescents take their first steps into adulthood, while at the same time encouraging parents that *most of the time*, things turn out OK!
