

KISHEENA WANZER

Kisheena Wanzer has been an educator for twenty years. She is a product of MCPS, graduating from Gaithersburg High School and eventually working there as a para-educator. She received her Bachelor of Arts degree in English from Bennett College in Greensboro, NC, then later received her Master's of Arts degree in Special Education with an emphasis on Transition Services from George Washington University in Washington, DC. Kisheena continued her education and received her Administration and Supervision certification from Hood College in Fredrick, MD.

Kisheena is certified in English and Special Education. She has been a Special Education; Transition Support Teacher and US History teacher. Upon completing her leadership development program, she worked as the Dean of Students and Resource Teacher of World Languages at Northwood High School. She continued her leadership as the Assistant School Administrator and Assistant Principal at Albert Einstein High School.

Kisheena is passionate about fostering positive relationships with people. Her leadership is centered around her core values of compassion, collaboration, and equity. She is excited about the fortuitous opportunity to join the academic family at Seneca Valley High School.
