

LaDONNA FLETCHER

I am very happy to be a member of the Screaming Eagle family at Seneca Valley High School! I strongly believe that all students can be successful and accomplish their goals. As an Assistant Principal at Seneca Valley, I work tirelessly with our administrative team, leadership team, staff, and parents to support the academic success and social-emotional well-being of all students. As an educational leader, my core values center on equity, relationships, and advocating for students. These values play a key role in my decision making and goal setting. I believe that all students should have equal access to a curriculum that meets their needs while also providing them with rigor and opportunities to relate their learning to real-life. Establishing positive relationships with all parents, students, and staff will support my efforts in advocating for our students to ensure they leave us being college and/or career ready.

I was born and raised in Detroit, Michigan. I was the first in my family to attend and graduate college. I earned a B.S. in Mathematics at Jackson State University, Jackson, MS. I taught math for 14 years before moving into administration. I have four children ranging in age from 14 – 25. In my leisure time, I enjoy working out on the “wheels of steel” – I DJ as a hobby. I have an open-door policy, so please feel free to stop by or schedule an appointment. I look forward to working with you and our students.
