How did you hear about the Child Development Preschool Lab?

Please email a completed application to Nicole_A_Berry@mcpsmd.org

Please write a brief statement describing your child and some of their experiences. This will help us understand your child better.

Please attach a picture of your child

Please read lab policies on the following page to learn more about our program.

Signature _____ **Date** _____

Please email a completed application to Nicole_A_Berry@mcpsmd.org

Dear Parents:

Thank you for your interest in the Sherwood High School Early Child Development Preschool Laboratory Program. This unique program provides a quality educational experience for 4-year-old children and high school students who are eager to work and learn together. The high school students, under professional supervision, plan and lead developmentally appropriate activities for young children in career preparation for future roles as child care workers, parents, teacher related professions. High school students receive in depth training in advance of the preschool lab opening, followed by weekly seminar classes.

The Sherwood High School Early Child Development Preschool Lab Application Procedures:

- Children who will be 4 years old by September 1st are eligible to participate in the Preschool Lab Program during the 2023-2024 school year. *We will accept 3 year olds if there is room and they are ready
- Children must be fully toilet trained
- Since many different high school students will be teaching the children, the program is designed for the prekindergarten child who can cope with daily changes and flexible scheduling.
- The program runs from mid-October through most of May
- Preschool Lab will typically be held Monday-Thursday
- Parents and students will be invited to an orientation in October prior to the first day of preschool.
- Tuition is \$300 for each semester, a total of \$600 for the year
- After you receive notification that your child is in the program you will be asked to complete the following forms:
 - \$100 deposit made payable to **Sherwood High School**. Mail to...
Early Childhood Development Preschool Lab
Sherwood High School
300 Olney Sandy Spring Rd.
Sandy Spring, MD 20860
