Hello Warriors!

We have finished our first week of the 23-24 school year! Students had a busy week. We completed a review of all safety drills, had a club and activity fair, our first Pep Rally to celebrate our fall sports and each class attended a Town Hall with myself and their class administrator. This coming week will be more routine. School photos are this week with senior portraits taking place September 5th and 6th. Please see the flier for more information. On September 7th and 8th we will be taking our underclassmen pictures (9-11).

Thanks to our parents who were able to attend Back to School night this past Thursday! One of the things addressed with students last week and discussed with parents during B2SN was our cell phone and attendance policies. Parents, please review these policies here.

MCPS has updated its Athletics Policies. As we begin the fall sports season, please take a moment to review the changes. The MCPS Athletics Safety Plan will continue to drive operations and procedures for athletic events in order to promote a safe and welcoming environment for all. Read more. Also, MCPS announced a new partnership with Medstar Health to enhance the school system’s sports medicine program for athletics. Athletic trainers have been hired and have started working in all 25 MCPS high schools. A coordinator of health and safety, Mr. Shawn Hendi, has also been hired. Athletic trainers, now MCPS employees, will provide streamlined and enhanced care for student-athletes and across the program. WATCH: Learn more about about this innovative program And finally, please watch this video for all our parents of student-athletes: Congratulations! Your Student-Athlete Has Made the Team...Now What – Quick guide for Parent(s)/Guardian(s) of MCPS Student-Athletes.

There is no school on Monday in observance of Labor Day. Have a great long weekend and we will see everyone back at school on Tuesday!

At Sherwood High School, we believe in creating as many opportunities as possible for our students to own their future. That’s why we offer the PSAT/NMSQT® (Preliminary SAT/National Merit Scholarship Qualifying Test) to our students. Whether your child is thinking about attending a two- or four-year college, is going straight into the workforce, or isn’t sure what they want to do after high school, the PSAT/NMSQT can help make their path clearer. Results from the PSAT/NMSQT provide insights into your child’s academic strengths, along with areas they can work on while still in high school.

This fall the PSAT/NMSQT will be administered in a new digital format that will provide an overall easier testing experience for students. On Monday, October 11th, all 10th grade students at Sherwood High School will take the PSAT/NMSQT. MCPS pays for the cost of the PSAT assessment for all 10th grade students.

11th grade students may sign-up to take the PSAT/NMSQT® but will be required to pay a $16.00 registration fee. The deadline for 11th grade students to register for the PSAT is Friday, September 8th. 11th graders can complete their registration for the PSAT by paying the registration fee through their school cash on-line account. Should any 11th graders have difficulty with the PSAT registration process, please email Sherwood High School’s College/Career Information Coordinator (CCIC), Jenny Davis, at Jenny_S_Davis@mcpsmd.org.

We need you! Committee Help 23-24

Want a way to volunteer, but worry about not having the time to do so? Then join a committee! Committees are a great way to donate your time to our students and staff! The time commitment is minimal, but the impact can be enormous. Several of our committees were run by parents of graduating seniors. We need your help! Please consider joining us as we support our students and teachers throughout the school year! Click here to sign up. If you have any questions about committees, please send us an email!

CAR DROP OFF AND PICK UP PATTERN

Please follow the instructions for drop off and pick up given by our security team.

- Please do not park in the bus lanes.
- Please use the parking spots marked Visitor or unmarked when visiting the school. Numbered spots are assigned to our staff.

Between 7:00 am - 7:45 am and 2:00 pm - 2:45 pm each day during our drop off and dismissal, please be especially mindful of buses entering the bus lanes and for staff or others attempting to enter or leave the school parking lots.

Please view the aerial map with direction arrows here.

SCHOOL PAYMENT SYSTEM

MCPS Has a new online payment system-- School Cash Online. Emails were sent to parent email accounts that are registered with MCPS (ParentVue) during the timeframe 8/15-8/17/22. The email came from scopinprocess@mcpsmd.org and included the student pin number. Each student/child has a unique pin number. Please check your e-mail inbox, spam and/or junk folders for this e-mail that contained your student’s SCO Student PIN.

Click here for instructions on enrolling in the new system.
