**Attendance Policy**

Students are expected to be in class and on time for class each day. Attendance is vital for student success. Poor attendance and tardiness impact the continuity of the student’s instructional program and impact the student’s grade in a class.

**Lawful Absence:** In the event that a student needs to be lawfully absent, the student is expected to have an excused absence. In accordance with the *Code of Maryland Regulations* (COMAR), a student will be considered lawfully absent from school for any portion of the school day under the following conditions:

- a. Death in the immediate family
- b. Illness of the student (the principal may require a physician’s certificate from the parent/guardian in cases of extended absences for an illness)
- c. Court summons
- d. Religious holiday
- e. State emergency
- f. Suspension
- g. Hazardous weather conditions (weather conditions that would endanger a student on the way to or from school)
- h. Lack of authorized transportation (for example, if a bus does not show up)
- i. Permission from the principal

Parents/guardians must call (301-924-3206) or email ([Diana_Wilson@mcpsmd.org](mailto:Diana_Wilson@mcpsmd.org)) the attendance office when their student is absent. When a student returns to school after a lawful absence, the student must present a written excuse signed by the parent/guardian to the attendance office within three days after the student returns to school. Failure to do so may result in the absence becoming an unexcused absence.

The written excuse must include the following:

- a. The student’s full name and ID number
- b. The student’s grade
- c. The date(s) of the absence(s) or tardy(ies)
- d. A phone number where the note can be verified
- e. A signature of the parent/guardian
Students who are requesting an early dismissal must present notes from a parent explaining the reason for leaving to the attendance secretary between 7:30 and 7:45 a.m. in order to receive authorization. Upon leaving, students must sign out at the attendance office, even if they are being excused from the health room to go home. Students who do not obtain permission to leave early or who fail to sign out are violating attendance procedures and will be charged an unexcused absence.

**Tardy Policy:** All students are able to complete class changes within the five minute passing time.

Tardiness is defined as not being in the assigned classroom when the bell rings signaling the beginning of the instructional period. Tardiness of more than twenty minutes of any class period will be recorded as an unexcused absence. Three unexcused tardies in a class equals one unexcused absence for that period.

If a student is tardy for class without a legitimate excuse, the following continuum will be enforced:

a. The teacher will issue a verbal warning to the student for the first offense.
   b. The teacher will issue a detention for the second offense.
   c. The teacher will contact the student’s parent/guardian and issue a consequence for the third offense.
   d. If the student receives four unexcused tardies in a class, the teacher will refer the student to the administrator.

A student who receives four unexcused tardies will meet with his or her grade level administrator for disciplinary action and interventions. If the student receives the equivalent of three unexcused absences in a class, the student and parent/guardian will be warned of the possibility of failure by the student’s administrator. The administrator will consult with the student or the parent/guardian to verify the reason for the absences and determine the appropriate interventions.

**Unlawful Absence:** If students are marked as having an unexcused absence, the student or parent/guardian may appeal the absence. Usually students having lawful absences are marked as unexcused when the student does not bring an excusal note to the attendance office within three days of returning to school. Students and parents/guardians may appeal the recording of their absences if they believe that any absences were recorded incorrectly. The appeal can be made to the student’s administrator.

---

**Other Information & Expectations**

**Age of Majority:** Students who reach age of majority and write their own notes must get an application from an assistant principal, whose confirmed approval and clearance are required before their notes will be accepted. They should also be advised that doctor’s notes may be requested to verify excused absences due to illness. Also, a student’s parent(s) or guardian(s) may be informed of tardies, absences, and academic progress (interim reports and report cards) if a student is dependent on them for financial support.

**Delayed openings:** Delayed openings will be announced on the radio, television and other media after 5:00 a.m. (or the night before if possible). Do not call the school to inquire.

**Edison Students:** Before departure and upon return, students are assigned to the cafeteria under the supervision of a security team member.

**Excusing Students from Class:** Students are responsible for attending all their scheduled classes. No student is allowed in the hallway without a pass. Teachers may not dismiss students early. Students should be excused only for legitimate reasons and are to be directed to specific locations.

**Grading Policy:** The MCPS grading and reporting policy can be found on the MCPS Web site @ www.montgomeryschoolsmd.org/info/grading
Grading Policy for Homework: Homework is graded when assessing whether students have learned a concept. Homework is reported as a learning skill when students are practicing a new concept.

Interim Progress Reports and Report Cards: Report cards will be issued four times during the school year, each one covering a nine-week grading period. In the middle of each nine-week grading period, an interim progress report will be issued.

Locks and Lockers: Every student at Sherwood High School is assigned a locker at the beginning of each school year. The student is responsible for the condition of the locker and keeping the combination secure. The fee for lost/damaged locks is $5. The school is not responsible for the security of items left in the locker. The school has the right to open any locker if there is a reasonable belief that an illegal item may be present inside the locker.

Lost and Found: Anyone who finds an article should immediately turn it in to the main office.

Lunch: Sherwood has one single period lunch. The following rules are in effect during lunch:
• Students are to eat only in designated areas.
• Students are expected to clean up after themselves by removing all trash.
• Students can use part of their single period lunch for extracurricular activities and accessing academic support (i.e. tutoring, completion of make-up work, teacher and/or counselor contacts. etc.)
• Loud music played over speakers (portable) or cell-phones is prohibited.

Make-up Work: When a student is legally absent from classes, he/she will have the equivalent of the number of days absent to make up class work, homework, quizzes, and tests. For example, if a student is absent on Monday, October 10, and Tuesday, October 11, all make up work will be due on Thursday, October 13. For long-term legal absences (five days or longer), the teacher and student will work together to formulate their own plan. All make up work must be completed within 10 days following the absence.

Medication at School: In accordance with MCPS policy, no student should be carrying medication to school. If a student needs to be on medication at school, the following procedure is to be followed:
• Obtain a medication administration form from the health room.
• Form must be completed by parent and doctor.
• Medication must be brought to the school by an adult. It must be in the original prescription bottle or, for over-the-counter medications, in a brand new bottle.
• The form discussed in step 2 must accompany the medication.

In the event the health room is closed, students should report to the main office.

MyMCPS Classroom: MyMCPS Classroom is a web-based system which allows communication between home and student. Students will see modules for each of their courses each semester for which they are enrolled. MyMCPS Classroom is synchronized with Pinnacle Gradebook, allowing students and parents to view grades in real time. They can also view announcements, calendar items (due dates for assignments and upcoming events), assignments, academic records (grades, attendance, schedules) and resources (services, supports, curriculum materials). Teachers and administration at Sherwood HS will use this as a means of communication with students, parents, or a single class. Clubs, groups, activities and class groups can also have their own module so sponsors can communicate easily with those students and parents.

School Emergency (Student guidelines): In an emergency situation all students are expected to behave in a safe and orderly manner. In the event of an emergency where we need to evacuate the building, students are expected to use the following guidelines:
• Follow the evacuation route posted on signs in each classroom/instructional area.
• Walk quietly and quickly to the designated areas as directed.
• Remain quiet and attentive for further directions.
• Remain in your designated area, unless directed otherwise.
In the case of **Shelter in Place**, students are expected to use the following guidelines:

- All students in the hallway should report to their assigned classroom
- Instruction will continue
- Listen to the P.A. for instructions

In the case of an **Active Shooter scenario**, students are expected to use the following guidelines:

- Immediately move to the closest securable location
- Ignore all bells and alarms
- Remain in a lockdown until you are instructed differently by the administration or a public safety official

In the case of **Severe Weather Shelter**, students are expected to use the following guidelines:

- Immediately report to the identified weather-safe areas inside the building

In the case of **Earthquake or Drop, Cover and Hold scenario**, students are expected to use the following guidelines:

- Drop to the ground and take cover by getting under a sturdy table or other piece of furniture
- Hold on until the shaking stops
- If there isn’t a table or desk near you, cover your face and head with your arms and crouch in an inside corner of the building
- Stay away from glass
- Use a doorway as shelter only if it is near you
- If outdoors, stay there. Move away from building, streetlights and utility wires

**Parking Permit:** Student parking is a privilege. Any student who violates parking rules or school rules may lose their privilege to park on school property.

**Student Identification Cards:** Each student will be given one free ID card which is to be in the student’s possession at all times for the next four years. It will be needed to enter all activities and to purchase tickets or pick up items such as rings, announcements & yearbooks. It is to be shown upon request by a staff member. Students without ID’s will be required to purchase a new one at the cost of $5.00. The ID card is used for all four years the student is at Sherwood High School.

**Truancy:** Truancy is an illegal absence from school. Parents and teachers will be notified and disciplinary action may be taken for each class missed. Continued truancy can lead to suspension, and referral to the truancy review board.

**Turnitin.com:** To assist students checking their writing and avoiding improperly used content, inadvertent plagiarism or quotation errors teachers may require students to turn in their written assignments through turnitin.com.

**Visitors:** Visitors to school are limited to those who have official business at Sherwood High. All visitors to the school must report to the main office, sign in and receive a visitor’s pass. Parents are encouraged to visit classrooms and to confer with teachers; however, visits to classrooms should be arranged through the counseling office. Parents are asked to contact the school at least 24 hours in advance. Student visitors are prohibited.

**Student Parking Permits**

Parking on campus is a privilege. For the safety of each, students must drive respectfully and responsibly. Failure to drive responsibly could result in the loss of parking privileges and a possible referral to the police. It is the student’s responsibility to adhere to the school’s discipline policy and listed parking regulations. Permits must be displayed hanging from the rear view mirror facing outward for easy viewing. Permits are assigned to a specific vehicle and may not be shared among students. Any changes must be reported to the Security
Office. Students must maintain a 2.0 GPA per semester to qualify for parking privileges. Students must also abide by the rules that are outlined in the parking agreement.

Because of the limited number of parking spaces available on campus, it is necessary to prioritize the issuance of permits for spaces. A priority list, developed by Montgomery County Public Schools Regulations and Policies Manual (ECG-RA), is used at Sherwood. The priority list is as follows:

- Students with disabilities
- Students in school work programs
- Students attending other learning centers
- Students with part time school schedules
- Students who participate in after school activities
- Students with unusual needs

To apply for a parking permit, students need to complete a Sherwood High School Parking Agreement/Parent Request for Student Use of Private Vehicle Form. This form is available on-line via the Sherwood High School web page and within the Security Office. Students can purchase a yearly parking permit for $75 or a second semester permit for $37.50. Purchases are made on-line with VISA/Master Card, credit or debit card. From the Sherwood High school web page, click on the "Sherwood High School Payments" button. Select the appropriate payment option. Students must be free of all financial obligations to receive a parking permit. Once the permit has been purchased on-line, complete the "Parking Permit Application," available on the Sherwood High School web page, and return it to the security office (room 201) before and/or after school to pick up your parking permit. Please note that MCPS policy does not allow refunds on parking permits purchases. Failure to comply with the parking regulations will result in the following consequences: first offense- warning sticker, parent notification; second offense- warning sticker, parent notification, loss of parking privilege for five (5) school days; third offense- warning sticker, parent notification, loss of parking privilege for 10 school days and towing. If you park on the property without a permit, you will receive an automatic obligation for that semester.

Course –Related Fees

Changes to the existing practices regarding assessment of course-related fees have been implemented. The new guidelines are intended to achieve a balance that reduces the number of course-related fees families are asked to pay while preserving the broad array of course offerings our community expects and our students deserve. A list of those courses being offered at our school which include a course-related fee is included with this information.

Course-related fees are not charged for textbooks, supplementary readers (such as anthologies, atlases, or workbooks), most materials of instruction, audiovisual aids, stationery items not commonly found in the home and required for the student to demonstrate mastery of course objectives, or building or office materials needed to operate schools.

The approved course-related fees primarily fit into three categories as follows:

- Items consumed by the student as a part of the course (example: recipe ingredients).
- Component parts of a product that will become student property (example: sculpting clay, model airplane kit).
- Materials of instruction or items of personal use that become the property of the student (example: career prep uniforms, hard hats, cosmetology kit).

Students are still expected to bring individual organizational tools and personal supplies (such as notebooks, pencils, and paper) from home. In addition, there are student fees which are not course-related but local
school decisions made by the principal in collaboration with the school and parent leadership. These may include class fees, special grade level assemblies, etc. These fees are indicated in the following section. There also may be fees related to field trips, but these will be shared each time there is a trip and not in advance as a course-related fee.

In circumstances when a course is selected with a fee, we are committed to providing all students, regardless of their economic circumstances, with full access to all courses, including the instructional materials required for those courses and the instructional program. A student, his/her parent or guardian, or any student advocate may request an adjustment to the course-related fee. Please contact the teacher, the counselor, or the administrator who will work with you to meet your needs. You and your child will have options that include a schedule of payments, a reduced fee, or a complete waiver.

Please note that these waiver options may not apply to fees paid to outside organizations, such as the College Board, ETS, International Baccalaureate, or for services including testing (Advanced Placement, SAT, ACT, etc.). Other waiver options MAY apply and you should contact the school counselor to review those options.

At Sherwood High School we are committed to the intent of these changes and plan to successfully reduce course-related fees while maintaining the instructional program our students expect and deserve.

Course Fees should be paid on-line using a VISA or Mastercard, credit or debit card. From the Sherwood High School web page, click on the "Sherwood High School Payments" button. Select the appropriate payment option. First semester course fees must be paid in full no later than September 30, 2022. Second semester course fees must be paid in full no later than February 28, 2023. Financial obligations will be issued to students after those due dates.
