### April is Arab American Heritage Month

Each day we will celebrate Arab Americans throughout the past and present, and recognize their invaluable contributions to our country.

- **French Montana:** Karim Kharbouch was born in Morocco. At the age of 13, his family emigrated to New York City. In 2017, his hip hop song “Unforgettable” reached number 3 on the Billboard Hot 100 list. When not making music, he partners with Global Citizen. Through this organization, French Montana advocates for medical care for women and babies in Uganda. He is also an advocate of funding preschools in Morocco.

### Day of Silence - April 12

- Attention all students and staff. This Friday, April 12 is known nationally as the Day of Silence for the LGBTQ community and allies. This is a day in which volunteers choose to not speak for an entire school day to bring attention to silent members of the LGBTQ community who have no voice. You can honor this day by donating change to student volunteers who will carry around white boards to communicate, or you could actually participate yourself. Join in the silent protest to send a strong signal to stop bullying of the LGBTQ community. See Mr. Tarzwell in Room A200 this week for more information, or come talk to student volunteers in the mixing bowl during STEP all this week.
