1. **SIGN IN**

Sign in to myap.collegeboard.org using your College Board student account login. This is the same login you use to access your AP scores, PSAT/NMSQT® scores, or register for the SAT®. If you don’t have a student account, click the Sign up link.

If you are in 10th-12th grade, you should have an College Board account from PSAT and/or previous AP exams. Please use this account! Multiple accounts will create issues when accessing your score.

2. **JOIN A COURSE**

Click the Join a Course or Exam button. Before you do this, make sure you have the join code from your teacher. You’ll need it to join a class section.

3. **SUBMIT YOUR JOIN CODE**

Enter the join code your teacher gave you and click Submit.

4. **VERIFY COURSE INFORMATION**

Make sure the information that comes up is for the course you’re taking. If it is, click Yes.

(continued on other side)
You need a College Board account to join your AP class section, receive AP assignments from your teacher, and register for AP Exams. If you don’t already have an account, please sign up at collegeboard.org/register. Your parents shouldn’t create an account for you. Keep your account information in a safe place only you can access.

DO YOU ALREADY HAVE AN ACCOUNT?
All College Board programs are connected through one account, so if you created one for AP, PSAT/NMSQT, SAT, or College Board Opportunity Scholarships, you’re all set. You'll just need your username and password to sign in.

College Board Account Tips

If you followed all the steps to get your username or password and still can’t access your account, you’ll be able to create an AP 2019-20 interim account.
