Dear Parents/Guardians of Grade 11 Students:

On Tuesday, January 12, 2021, the Montgomery County Public Schools Board of Education voted to delay the return of in-person experiences to March 15, 2021. Due to this decision, the PSAT scheduled for January 26, 2021 is cancelled. We have started the processing of refunding any and all testing fees collected. Please allow 5-7 business days for these funds to be returned to you.

Grade 11 students who are still interested in qualifying for the National Merit Scholarship Program will still be able to go through alternative entry. More information on alternative entry can be found [here](#). Montgomery County Public Schools and Walter Johnson High School are moving forward with planning for the possibility of offering the SAT during the school day in the spring for Grade 11 students, as health and safety conditions allow. We will continue to update families regarding the SAT as soon as we have more information.

If you have any questions, please email Mr. Heintze, assistant principal: James_T_Heintze@mcpsmd.org.

Sincerely,

Jennifer Baker
Principal
