

Somerset Elementary School After-School Programs

March 2, 2017

Dear Students in need of Service Learning Hours,

We are looking for motivated, energetic, creative and dependable "coaches" to assist our after-school club instructors in teaching and supporting our Somerset Elementary School students. Clubs are offered, free of charge, to students and provide an opportunity for both intervention and enrichment in the areas of reading, writing and math. Clubs will be starting **March 22, 2017** and will meet for one hour, Wednesday afternoons from 3:30-4:30. They will meet every week for 8 weeks, the last meeting will be **May 17, 2017**. This is a fantastic opportunity to not only fulfill your required Service Learning Hours, but to also make a difference in the lives of these amazing young children. Please contact Anne E. Flores for further details on how to become a member of our after-school program team.

Sincerely,

Anne Flores
Staff Development Teacher
