

# MCPS After-School Rules and Regulations

All students must follow school rules when participating in after-school activities. In addition, students must be at their activity by 2:50 p.m. or future access may be denied. Students may not leave the building between the end of the school day and the beginning of after-school activities. Daily attendance will be taken by activity leaders. If a student is repeatedly tardy to an activity, that student may lose the right to stay after school.

**Students must arrange their own ride home if they plan to stay after school to watch a sporting event. The after-school bus is only for students in supervised after-school activities.**

**If your child is not taking the activity bus, please pick your child up on the Bells Mill side of the school by 4:15 p.m.**

**PLEASE, DO NOT PICK YOUR CHILD UP IN FRONT OF THE SCHOOL. IT IS A FIRE LANE AND THE LANE FOR THE AFTER-SCHOOL BUSES. YOU CAN RECEIVE A TICKET FOR STOPPING OR PARKING THERE.**

**If your child is consistently being picked up after 4:15, he/she may lose the privilege to participate in after school activities.**
