Montgomery County Public Schools (MCPS) is scheduled to begin the Schematic Design Phase for an approved capital project in your neighborhood.

This notice is to inform you of the Schematic Design meetings scheduled for the approved Crown High School New School project. MCPS extends an invitation to you to participate in this process. Everyone in attendance will have the opportunity to hear about the proposed project.

The purpose of these meetings is to develop a preliminary design for the school project. This is an evolving process whereby input from previous meetings is incorporated into the ongoing proposed design. These meetings are to determine spatial relationships within the school's interior, the pedestrian and traffic flow of the site, and how the project will impact the community at large.

Participants will include neighbors, government agencies, the design architects, and staff from MCPS Division of Design and Construction.

The dates and times for the meetings are shown below. The work sessions are scheduled in the evenings to allow for maximum community involvement.

Sign language interpreter services will be provided upon request with notice as far in advance as possible but no less than five (5) business days prior to the event. If you need this or other services or aids to participate in this activity, please call Mr. Robbie S. Badstibner, project manager, Division of Design and Construction, at 240-314-1000 voice; TTY users should call Maryland Relay (711) or email at [Robbie\\_S\\_Badstibner@mcpsmd.org](mailto:Robbie_S_Badstibner@mcpsmd.org). Taking these steps will help us have sufficient time to best meet your needs.

Thank you.

**Meeting Schedule**

**Work Session #1**

Thursday, October 28, 2021 @ 6:30 PM  
Meeting Location: Microsoft Teams Video Conference Call

**Work Session #2**

Thursday, November 11, 2021 @ 6:30 PM  
Meeting Location: Microsoft Teams Video Conference Call

**Work Session #3**

Thursday, December 2, 2021 @ 6:30 PM
