

Cabin John Summer Institute 2019

The Cabin John Middle School Summer Institute is coming to Cabin John Middle School for the summer of 2019. Mark your calendar now so your child does not miss this wonderful opportunity for increased instructional time! A registration form is available on the back of this flier and on the CJMS website. Please return all forms to Mr. Jones-Prettyman or the Main Office at CJMS by Wednesday, June 13th. **Classes do not affect course placement and do not count for credit. Students may only sign up for ONE class (with the exception of Coding Craze).**

Dates – Monday, July 8th to Friday, July 26th (*some courses have special schedules)

Times – 7:45 A.M. – 10:45 A.M.

The following courses will be offered:

Jumpstart to Middle School (Reading 6 /Writing 6/Math 6) (Cost \$260): This three-week class is for incoming 6th grade students who, with additional mathematics, reading, and writing instruction during the summer, will be prepared for Common Core Math 6 and Advanced English 6 in the fall of 2019. This is a great course to help incoming students acclimate to the middle school environment.

Jumpstart to IM (Cost \$260): This three-week class is for incoming 7th grade students who, with additional mathematics instruction during the summer, will be prepared for Common Core Investigations in Mathematics (IM) in the fall of 2019. This course is designed primarily as a review of the content, concepts, and skills from the Common Core Math 6 curriculum and as a preview of some of the required content, concepts, and skills from Common Core IM. This class is open only to students entering Grade 7 who are enrolled or being considered for enrollment in IM for fall 2019.

Jumpstart to Algebra (Cost \$260): This three-week class is for students who, with additional mathematics instruction during the summer, will be able to maximize their potential to be successful in an Algebra 1 class in the fall of 2019. Students in Jumpstart to Algebra should be already enrolled in Algebra 1A for the first semester of the 2019-2020 school year. Jumpstart to Algebra emphasizes concepts and skills necessary for success in Algebra 1. Registration priority to this class will be given to students whose IM teachers have recommended they take the course.

Reading/Writing Workshop 7/8 (Cost \$260): The Reading/Writing Workshop 7/8 class for incoming 7th and 8th graders is a three-week program that will provide reading and writing instruction for students who, with additional reading and writing instruction in the summer, will be prepared for Advanced English 7 or 8 in the fall of 2019.

Studio Art (Cost \$260): This three-week class is for incoming 7th and 8th graders that will explore **ONE** of the topics, based on the majority of student interest: (1) printmaking extravaganza (explores printmaking forms and techniques); (2) acrylic painting (color theory and mixing, composition, landscape, still-life, figure and non-representational painting on canvas); **or** (3) artistic toy-making and crafts (plushies, cardboard miniature house, animated flipbook, weaving, and hand sewing).

***AMC 8 (Cost \$165):** This **two-week** course offers preparation for the AMC 8 competition in the fall of 2019. The AMC 8 is a 25-question, 40-minute, multiple choice examination in middle school mathematics designed to promote the development of problem-solving skills. The AMC 8 provides an opportunity for middle school students to develop positive attitudes towards analytical thinking and mathematics that can assist in future careers. Students apply classroom skills to unique problem-solving challenges in a low-stress environment. In this course, we will be practicing similar problems and preparing for this kind of examination. **Open to all students, including incoming 6th graders!**

***Coding Craze (Cost \$100):** This is a **one-week** course, offered in two separate sessions. Learn the basics of coding or explore your own advanced level project. Coding is an important STEM skill and this class is great for those who don't yet know what coding is and for those who know how to code and want to learn more. We will be introducing the basics and branching off to work on our own projects (individually or in groups, beginner or advanced) leading up to an exciting final sharing session on Friday – a great time to invite in family and friends. We will use resources provided by Code.org. **Students may sign up for BOTH sessions.**

***Band Workshop (Cost \$100):** This workshop is a summer sight reading band that explores newly published band music. Attendance at each of the sessions is not required, but we recommend attending at least 3-4 sessions to make it meaningful and cost effective. **It is held on Tuesday evenings, 6:30-8:00 pm, from June 25 - July 30, 2019 @ Cabin John Middle School.** This workshop is for current sixth and seventh grade band students who successfully completed a year-long band class during the 2018-2019 school year.

***Please note that classes may need to be cancelled due to insufficient enrollment.
Registration is on a first-come, first-serve basis. Classes fill up quickly each year.**

CABIN JOHN MIDDLE SCHOOL * LOCAL SUMMER SCHOOL PROGRAM REGISTRATION

To be completed by PARENT/GUARDIAN. *Please print all information in ink.*

PART I: STUDENT INFORMATION

Student ID # _____ Current Grade: _____

Student's Name: _____

Parent/Guardian's Name: _____

Address: _____

Home Phone: _____

Cell Phone: _____

Emergency Contact Name: _____

Emergency Contact Phone Number: _____

Part II: REGISTRATION— Please note: All classes are non-credit. Please check the **ONE** class you are enrolling your child in.

Courses running July 8th to July 26th: Course Name: Jumpstart to Middle School (\$260) <input type="checkbox"/> Course Name: Jumpstart to IM (\$260) <input type="checkbox"/> Course Name: Jumpstart to Algebra (\$260) <input type="checkbox"/> Course Name: Reading/Writing Workshop 7 (\$260) <input type="checkbox"/> Course Name: Reading/Writing Workshop 8 (\$260) <input type="checkbox"/> Course Name: Studio Art (\$260) <input type="checkbox"/>	Courses with special schedules. See below: NOTE: Your child may enroll in both sessions of Coding Craze. Course Name: Coding Craze (Session 1 – July 8th to 12th ONLY) (\$100) <input type="checkbox"/> Course Name: Coding Craze (Session 2 – July 22nd to 26th ONLY) (\$100) <input type="checkbox"/> Course Name: AMC 8 (July 15^h to 26th ONLY - \$165) <input type="checkbox"/> Course Name: Band Workshop (\$100) <input type="checkbox"/> (Tuesday evenings from June 25th to July 30th)
