Summer 2022 Reading Assignment

Students are expected to read **one book** of approximately 150 pages or more, or spend **an equivalent amount of time reading other genres of text**, such as newspaper and magazine articles, blogs, poetry or plays. Students will complete an organizer for each text they read, and then choose a project or reflection from the Summer Reading Choice Board.

1. **Choose** what you'd like to read this summer. Use the book list and resources available on the Eastern Summer Reading website for ideas - then **READ!**
2. **Complete an organizer for the text** that you've read and have it signed by a parent or guardian.
3. **Choose a project or reflection** from the Summer Reading Choice Board to interpret and display your comprehension of what you've read.
4. **Turn in the assignment to your English teacher** during the first week of school, which begins on *Monday, August 29, 2022*. Teachers will use this information to get to know students as readers and individuals.

Students will receive credit from their English teacher for summer reading and should hand in an organizer and a reflection/project for the text they read.

Note: Montgomery County Public Libraries will be open this summer! Please participate in their [Summer Read and Learn Program](#) if you'd like! [Click here](#) for directions on how to use the Sora app to read books online!
