

Welcome to Summer School 2021!

Parent Update #4

There is a Summer School tab on the RHMS website homepage. Please look there for Parent Communication #1, #2 and #3 and the bus routes. All communications will be posted there in addition to being sent home via ConnectEd/Synergy.

Transportation information is posted on the website and links for AM and PM runs are below: Please note one change to route S2222,

[PM Bus Runs](#)

Please look for the bus stop that works for your family. Be sure your student knows their address, what bus they will ride, what stop to get off at and a parent phone number. Load this information into your student's phone or place a hard copy in their backpack.

For the first week, please be early to your bus stop and be patient. If you are a car rider, please use the drop-off circle, not the bus lot to drop off and pick up your Wildcat. Walkers and car riders should arrive no later than 7:50. Car riders should be picked up no later than 12:30.

Breakfast and lunch will be provided free of charge to all students who would like to have them. Meal menus will be posted to the RHMS website in the Summer School tab as soon as possible.

DAY 1 - Tuesday, July 6

When students arrive at school, they will enter the cafeteria and pick up their schedule from grade level tables. Then they will pick up breakfast if wanted

and sit at the tables assigned to their first class. There will be a short presentation and then classes will be dismissed to start the day. Each day, as they arrive, students will gather in the cafeteria, eat breakfast if wanted, and be dismissed to period 1.

Remember to bring the following items each day:

- Facemasks
- Chromebook
- A few basic school supplies (paper, pencil, etc.)
- Tennis shoes for their elective class
- Water Bottle
- Lunch (if not eating the free lunch provided by the school)

The elective classes will be PE based and students will participate in Futsal (indoor soccer), Badminton, and Lifetime Leisure Sports. Therefore, tennis shoes will be necessary.
