

Playing a DVD in your computer

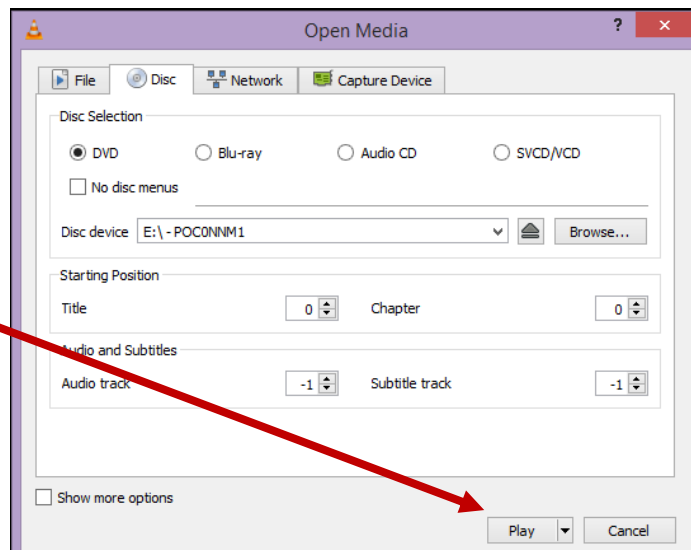

1. Put your movie in the disc drive
2. Go to 5. WINDOWS ACCESSORIES and select VLC

3. Pull down the MEDIA menu
4. Select OPEN DISC

5. Select DVD
The Disc Drive should be: E:\
6. Click PLAY

Note: To play captions, most of the DVDs have a set up menu (on the actual DVD). Use this to set up the captioning as needed.
