Dear Farquhar Family,

We are excited for our students to be returning to school. We had a wonderful first day, however, there are a few changes necessary for our school operations to run smoothly. As the number of students utilizing their own transportation has increased as well as numerous bus routes adjusting schedules, we will be implementing the following changes immediately.

- We are asking all CAR RIDERS to arrive between 7:45 – 7:55 a.m. each day. We will allow students to enter their Connect Time area at 7:45 a.m. This change will allow bus transportation to arrive with less traffic interruption and provide students more Connect Time opportunities.
- Car riders will be released at 3:00 p.m. each day with bus riders being released at 3:05 p.m. When your student is in your car, please slowly pull to the left and drive around the left side of the line to exit car pool area.
- All students are reminded to bring their own water bottle, as the water fountains must remain turned off, however, the water bottle filling station is available.

These changes will go into effect immediately and our bell schedule will be updated on our school website to reflect the updated changes.

Sincerely,

Dr. Joel L. Beidleman
Principal
