

THE TIMBERWOLF PACK!

Shady Grove Middle School PTA

The Timberwolf Pack advocates for our students within the MCPS system and directly supports enhancements to each child's education at SGMS. Our PTA does very little "fundraising" but instead, relies on our parents' membership dues and direct contributions to support activities that are not funded by the MCPS budget.

With these funds, the PTA continues supporting activities such as:

- Free academic planners to every student
- Academic grants (*mummifying apples, terra cotta pot project, Geography Bee, STEM research projects, college campus tours*)
- Straight A's/Honor Roll recognition awards
- Guest Cultural Arts Programs
- Staff appreciation events
- Community events (*Cluster Night, After Prom*)
- After school programs and clubs (*Sports, Drama, Academics, SGA, SSL, etc.*)

Contact Danielle Ralston for more information on PTA memberships or direct donations: SGMSPTA1@gmail.com or 479.226.2421.

PTA Membership
