Standing Items of Interest	
Chromebooks	Odessa Shannon will have Chromebook Carts with class sets of Chromebook available for student use in the classroom. For students who need a device to use at home, students, parents, and MCPS staff can fill out the Student Home Use Chromebook Request form on behalf of the student. The student's information will be verified for take-home device eligibility, and then a Chromebook will be sent to the school to be checked out to the student. Students will not be required to transport home-use Chromebooks to and from school.
Cell Phone/Electronics Policy	OSMS follows the county's expectations for cell phone non-use during the school day. Students are allowed to have cell phones at OSMS; however, it is highly encouraged they stay at home. If a student brings a cell phone/electronics of any kind to school to school, they must be turned off and out of sight during the instructional day, this includes lunch time and in the halls. We suggest and highly encourage students to keep phones/electronics at home or in their own locker during the school day. Please note that the school is NOT RESPONSIBLE FOR LOST OR STOLEN ELECTRONIC EQUIPMENT and a parent may have to pick up phones/electronics if they become an instructional distraction for the student.
Bell Times and School Attendance	<p>Bell Schedule</p> <p>Regular school attendance is required. Students are expected to report to school on time and be prepared each day. The school day is from 8:10am-3:00pm. If students are not able to attend classes, please email Ms. Johana Martinez, attendance secretary, at Johana_S_MartinezMartinez@mcpsmd.org. Students should bring in a note upon their return to school regarding their absence to adjust their attendance correctly. A written explanation of each absence is required from the parent/guardian within three days of the student's return to school. You will receive an automated call whenever your student is out for one period or the whole day. Please check with your student before calling the school because the main office cannot verify if they were in class at that specific time frame.</p> <p>Students are not supervised in the building until 7:50 a.m., therefore students should not be dropped off before this time as it is a safety concern. Students will remain outside until 7:50 a.m. We will have a new student drop off area that is marked, please drop off students in the designated area only.</p> <p>Finally, to ensure that students receive the maximum instructional time, students will not be called out of class for messages and parents should avoid conflicts that interfere with class attendance as much as possible.</p>

Conflict Resolution Program at School	<p>The Conflict Resolution Center of Montgomery County (CRCMC), is excited to offer a school based conflict resolution program this year. Staff and volunteers from the Conflict Resolution Center of Montgomery County will conduct this exciting program here at Odessa Shannon MS one day a week.</p> <p>The purpose of this school-based conflict resolution program is to provide the students and staff of Odessa Shannon MS the opportunity to address and resolve student disputes with an “on-site” conflict resolution professional.</p> <p>The program will empower students to use the on-site Conflict Resolution Office to address and resolve disputes in constructive ways supporting a positive and safe learning environment. Additionally, students will practice restorative discipline principles that focus on: strengthening relationships, collaborative problem-solving, and student accountability.</p> <p>This on-site school-based Conflict Resolution Program will be housed in the counseling office. The office will be staffed by AmeriCorps and Volunteers with the Conflict Resolution Center of Montgomery County who will serve as a neutral person to accept concerns on behalf of students, teachers, and staff regarding student concerns.
