

March 5, 2021

Good Afternoon Tilden Family,

As we get closer to our partial in-person return, I will be sharing information with you that will help our students transition smoothly back to school. Students who plan to continue with virtual instruction will not experience any changes to their schedule. Students who opted for in-person instruction will be returning in phases, starting March 15, 2021. All of the crucial dates, along with the orientation video will be posted on our Tilden Middle School Website and shared with you via email next week.

Next week, teachers will be transitioning back to school to prepare for our students. All the schools that moved to a new facility this summer were provided with an extra day on March 11th to allow teachers time to unpack their boxes. As a result, only Friday will be a synchronous day in order for students to see all of their teachers.

Calendar:

- March 8: Professional Day for Teachers, No School for Students
- March 9 - 11: Asynchronous Days for Students
- March 12: Half-Day for Students, ***THIS IS A SEVEN-PERIOD DAY***
- March 15: Reopen for Tilden's Signature Programs
- March 29 - April 2: Spring Break
- April 5: Holiday, No School
- April 6: Reopen for 6th grade
- April 19: Reopen for 8th grade
- April 26: Reopen for 7th grade
