WHO IS THE HEAD START POLICY COUNCIL?
The Head Start Policy Council is the “CONGRESS” of the Head Start/Pre-K Program, set up by federal law so that parents have a way to make decisions about the nature and operations of the program. We are the parents of Head Start/Pre-K students and community representatives!

WHAT DO WE DO?
The Policy Committee/Policy Council obtains information, helps plan, discusses and finally approves or disapproves:

• The grant proposal (how the program will operate)
• The program budgets
• The recruitment and training plans
• The personnel policies and procedures, hiring and firing of Head Start staff
• Participate in the yearly Self-Assessment
• Attend all monthly PC meetings
• Attend monthly Parent/Center Meetings at their child’s school
• Reports PC information during the Parent/Center Meetings
• Reports center concerns and activities to the Council
• Serves on at least one PC standing committee
